

GRAND LODGE A.:F.: & A.:M.: OF NEBRASKA

Petition for the Degrees of Freemasonry

Dear Friend,

There are a few important things you should know and consider *before* petitioning to join the Masonic Fraternity. Freemasonry is a Fraternity which teaches ethics and morality. We welcome men of every color, creed, religion, sect, and opinion, but each candidate for Freemasonry must be willing to profess his belief in a benevolent Supreme Being. No atheist can become a Mason.

Although we require that our new members publicly state their belief in Deity, we specify no religion, we offer no conception of the Almighty, and leave to each Mason what faith he should practice or what worship he should perform. Beyond this simple requirement at your entrance into the Fraternity, Freemasonry will not go, and discussion of religion in open Lodge is strictly forbidden.

Freemasonry distinguishes between patriotism and partisanship. While patriotism is encouraged as an essential virtue both in the Lodge and in society at large, Freemasonry takes no position on political issues, and the discussion of politics in open Lodge is also strictly forbidden.

Freemasonry's history is illustrated by depicting the leadership structure, code of ethics, and symbolic tools of the trade of ancient stonemason guilds, portrayed to its modern-day candidates through beautiful allegorical plays and lectures. Veiled and forgotten by the mists of time, these mysterious and consequential trade secrets of ancient stonemasonry once used in the unique construction of their magnificent structures were hidden from disingenuous eavesdroppers who sought to exploit them, no different than a business patent is today. Modern-day Freemasonry uses these ancient symbols to reveal a meaningful connection with morality that challenges its members to explore these mysteries and apply these lessons to their personal lives. These are the "hidden mysteries of Freemasonry."

The essential purpose of Freemasonry is the further development of the individual Mason as an honest, ethical, moral, sincere, caring, and charitable man, learning more about his own potential as a human being and developing his intellectual and spiritual character. A man should never enter the Fraternity in the hope of making business connections or for any other sort of professional or mercenary gain. If he does, he will be disappointed, for they will not be found there. What he will find is a group of like-minded men, who are willing to treat him as a Brother and share in a deep and rewarding fellowship with him. In the Lodge, he will find true friends and life-long companions.

We expect men who petition for the Degrees of Freemasonry (Membership) to be good men, but not to be perfect. We know that all men have limitations and weaknesses. Our questions are: does he care about others; does he feel a responsibility to improve himself; does he wish to make the lives of others better as best he can; is he willing to be open and honest with us and with himself?

Inside this petition we ask detailed questions about you. These questions are not asked of you out of idle curiosity. When we accept a man as a Brother, we make a sincere promise to him that we will trust him completely and will treat his needs and his interests just as if they were our own. This completed petition and the visit some Lodge Brothers will make with you commence the process of sharing information which is vital if both you and we are to be comfortable with one another.

We are pleased you are interested in the Masonic Fraternity, and we look forward to the chance to know you as a Brother.

Sincerely and fraternally,

The Grand Lodge of Nebraska

THE PROCESS OF BECOMING A FREEMASON

You have already started the process of becoming a Mason by asking for a petition. Answering the enclosed questions completely and forwarding it to the Lodge Secretary with the requisite initiation fee in a sealed envelope is the next step. When your petition is received, the Master of the Lodge will appoint a committee to visit with you personally. After their visit with you, they will report to the Lodge and the members will vote on your petition. If the vote is affirmative by a *unanimous ballot*, the Lodge will contact you to set a date for your initiation – the Entered Apprentice degree.

A degree is a solemn and beautiful ceremony in the form of a theatrical play. You should dress accordingly, and avoid excessively casual clothes, shorts or flip-flops. Coat and tie is often the style of dress. Masonic ceremonies contain absolutely no hazing or horseplay. After you receive the first degree, you will be assigned a mentor who can help you become proficient in the material of that degree. When that is finished, you take the Second Degree. Upon attaining proficiency in all three degrees, you will become a full member of the Fraternity.
